QUALIFICATIONS – OPHTHALMOLOGY DESIGN RESUME

Julio Ripoll is a Registered Architect with 31 years of well-rounded architectural experience.

For the past 22 years (since 1994), Ripoll has been a Consulting Architect for the University of Miami and designed over four hundred (450) projects at the U of M Medical Campus and Bascom Palmer Eye Institute.

Ripoll has also design ophthalmology and medical facilities for other large institutions such as the Mayo Clinic in Rochester Minnesota, USC University of Southern California, Doheny Eye Institute California, UCLA, University of North Carolina Chapel Hill and Mount Sinai Hospital Miami Beach.

Ripoll has also designed clinics for Ophthalmologists in private practice.

Julio Ripoll has specialized in Ophthalmology Clinics, Medical Clinics, Medical Research Laboratories, University Offices and Facilities.

Well versed in Building codes, Life Safety codes, FGI Healthcare Guidelines (AHCA) and A.D.A. Americans with Disabilities Act. Julio Ripoll, A.I.A. represented Robert M. Swedroe Architects as the only architectural member of the Miami Beach Mayor's Ad Hoc Committee for Barrier Free Environmental Design.
